

*[The following text is a transcription of the handwritten manuscript page, which contains a detailed discussion of the Paschal cycle, lunar phases, and the date of Easter. The text is written in Latin and includes numerous references to historical sources and astronomical observations.]*

*[The text begins with a reference to the Pascha mensis primo, 1464 die mense 12. 12. 1602. Num. 9. 12. 18. It then discusses the relationship between the Pascha and the Luna prima, and the date of Easter. The text continues with a discussion of the Pascha and the Luna prima, and the date of Easter. The text concludes with a reference to the Pascha and the Luna prima, and the date of Easter.]*
